AUTHORIZATION FOR IMPLEMENTATION OF AUDIT AND CERTIFICATION OF GLK- GERMAN QUALITY CERTIFICATE FOR SMALL FOOD PRODUCERS

In 2014, for the purposes of Macedonia and the Balkan countries CONSTAN LTD. became the exclusive authorized representative of Michel Institut (MI) from Bamberg, Germany for training, implementation of audits and certification of the flexible HACCP standard (abbreviation: GLK) for food safety for small and medium enterprises i.e. producers/food operators.

The standard is recognized by the EU, approved by the Food and Veterinary Agency and successfully applied for many years in Germany, Austria and other countries, including the Balkan countries and Macedonia. The implementation price of the standard amounts to 240.00 EUR in MKD currency. The certificate is directly issued by the MI from Germany, while the audit is conducted by the experts of CONSTAN LTD.

The standard is suitable for producers of traditional and authentic products, as well as, for individuals and producers of mushrooms, honey, meat and dairy products, producers of fruit and vegetable, producers of teas and confectionery, bakeries etc. ...
